

## *Visions of the Heart*

*Music and Vibration for Planetary Awakening*

*In October 2010 two communities 1,000 miles apart met in meditation and brought in a delightful energy of rejoining and rejoicing.*

*This music is part of a series designed to open the heart and prepare the energetic lightbody for high frequency activation.*

Carol Fitzpatrick, Vision Holder

Music by Mark Torgeson  
Hayat Donna Bain, flute
